Education

Human-Centered Design Practitioner, LUMA Institute 2023

Virginia Polytechnic Institute and State University

Doctor of Philosophy in Curriculum and Instruction, Integrative STEM Education 2018

Cognate: Instructional Technology

Dissertation Title: Applying Curriculum Treatments to Improve STEM Attitudes and Promote STEM Career Interest in Fifth Graders

Master of Arts in Curriculum and Instruction 2011

Concentration: Instructional Technology

Mary Baldwin College (now University)

Bachelor of Arts in Sociology 2005

Double Minor: Leadership Studies and Political Science

Defense Information School, Department of Defense

Public Affairs Supervisor 2007

Certificate in Public Affairs, Journalism 2002

Higher Education Experience

2020 – Present Grant Evaluator & NSF Researcher, YNOTI Solutions

2020 – 2021 Visiting Scholar of Broader Impacts and Workforce Development, Office of Research and Office of Extension and Engagement, University of Missouri

2020 – 2020 Visiting Professor, Department of STEM Education, North Carolina State University

2018 – 2020 Research Assistant Professor of SEAD/STEM Education Assessment & Evaluation, Institute for Creativity, Arts, and Technology, Center for Educational Networks and Impacts (formerly the Center for Research in SEAD Education), Virginia Polytechnic Institute and State University

2017 – 2018 Graduate Assistant, Office of Educational Research and Outreach, Virginia Polytechnic Institute and State University

2017 Graduate Research Assistant, School of Education, Virginia Polytechnic Institute and State University

Awards and Honors

International	2020 William E. Dugger Exemplary Collaboration Award, International Technology and Engineering Educators Association (ITEEA)
International	2020 Emerging Leader, International Technology and Engineering Educators Association (ITEEA)
International	2019 Paul T. Hiser Exemplary Publication Award, Epsilon Pi Tau
National	2020 Impact Innovations Award, Center for Advancing Research in Society (ARIS)--Team Award to Center for Educational Networks and Impacts
National	Honorary Member, Council of the Scientific Society Presidents
National	2020 ECMC Fellow- Postsecondary CTE Research, North Carolina State University
National	2019 ECMC Fellow- Postsecondary Leadership Success Program, Association for Career and Technical Education (ACTE)
National	2018 Fellow- 21st Century Leadership Academy, International Technology and Engineering Educators Association (ITEEA)
Institution	2023 VMware RADIO (R&D Innovation Offsite) People's Choice Award for Best Research
Institution	2018 Graduate Student of the Year Honorable Mention, Virginia Polytechnic Institute and State University
Institution	2017 Virginia Tech Citizen Scholar, Virginia Polytechnic Institute and State University Graduate School
Institution	2012 PTO Hardest Working Teacher, Belmont Ridge Middle School
Institution	1998 Program for the Exceptionally Gifted, Early college entrance at 13, Mary Baldwin College (now University)

Teaching Experience

Graduate

2020	Teaching Creative Problem Solving (North Carolina State University TDE 758)
2019/2020	Education Research Study of Evaluation (Virginia Tech EDRE 5974)
2018/2019	STEM Education Foundations (Virginia Tech EDCI 5804)

Undergraduate

2019	21 st Century Workforce Readiness (Virginia Tech UNIV 2984)
2018	iScholars Intrapreneurship (Virginia Tech UNIV 2984)

PK12 Teaching

2015 – 2016	Lead Teacher- STEM, Nova Enrichment Academy
2013 – 2015	Instructional Technology Coordinator, Highland School
2013	Elementary Lead Teacher, Curry School of Education SEP, University of Virginia
2011 – 2012	FACS Middle School Teacher, Loudoun County Public Schools
2010 – 2011	Marketing High School Teacher, Prince William County Schools
2009 – 2010	Middle School Coordinator, The Auburn School
2006 – 2009	Business & Information Technology High School Teacher, Arlington County Public Schools

Consulting / Workshop Presentations

2020	Evaluating Classrooms for Change, ACTE Educators in Action online
2018	ICAT Maker Camp for Teachers, Virginia Tech
2018	Novel Engineering: What an Idea! K-6 Professional Development Day, Radford City Schools
2017	Teacher Professional Development: Integrative STEM in Practice. Belle Heth Elementary School 5 th Grade team, Radford City Public Schools

2017	Teacher Professional Development: Introduction to Integrative STEM. Belle Heth Elementary School, Radford City Public Schools
2017	Teacher Mentoring: Introduction to Design-Based Learning, a five-session series. Belle Heth Elementary School 5 th Grade team, Radford City Public Schools
2016	Bringing STEM Home. Parent's Night, Curiosity Co-op
2011	Teacher Professional Development: The paperless classroom initiative using Google Apps, LiveBinders and OneNote series, with Reeves, K. Battlefield High School, Prince William County Schools

Guest Lectures & Campus Talks

September 2020	21st Century Leadership Technical Communications- a CV mom talk, ITEEA 21st Century Leaders, Reston, VA
September 2019	Technology is the future (of evaluation). Institute for Creativity, Arts and Technology Playdate, Virginia Tech, Blacksburg, VA
February 2019	Career readiness for technical fields, Scientific and technical visualization (TDE 230). North Carolina State University, Raleigh, NC
November 2018	Strategies for Student Engagement: let's talk...or not. Kappa Delta Pi International Honor Society in Education professional development presentation, Radford University, Radford, VA
October 2018	Evaluation as a tool for change (EDRE 6704) Evaluation methods in Education, Blacksburg, VA
September 2018	Reflecting on your efforts: Assessment in outreach and scholarship. Institute for Creativity, Arts and Technology Playdate, Virginia Tech, Blacksburg, VA

Community Outreach Events

2023	Peppermint and Power Tools: A Girls Empowerment Workshop, Front Royal, VA
2019	Booth: Virginia Tech Science Festival- Science in Real Time, Virginia Tech
2019	Booth: ICAT Creativity & Innovation Day- Science in Real Time, Virginia Tech
2019	Student Workshop: Kindergarten to College (K2C)- Lego engineering, Virginia Tech
2018	Booth: Virginia Tech Science Festival- Science in Real Time, Virginia Tech

2018	Community Development: Vibrant Virginia SWVA Conversations, St. Paul, Va
2018	Student Workshop: Kindergarten to College (K2C) Introduction to Robotics, Virginia Tech

Additional Funding

External Awards

\$4,000	Google Grant for girls robotics, 2023
\$600	New River Robotics grant, 2018
\$2,000	Virginia AeroSpace Business Association (VASBA) Education Outreach Scholarship, 2018.
\$10,000	Association of the United States Army (AUSA) SMA Leon Von Autreve Honor Level 2, 2017.
\$700	Technical Foundation of America (TFA) travel grant, 2017
\$1,000	Virginia AeroSpace Business Association (VASBA) Education Outreach Scholarship, 2017
\$500	Virginia FIRST Lego League team VA FLL Team Hardship Grant, 2016

Internal Awards

\$1,000	Virginia Tech School of Education Travel Grant, 2017
\$4,500	Peterson, B. Faculty Fellowship, Highland School, 2014
\$4,500	Peterson, B. Faculty Fellowship, Highland School, 2013
\$7,400	Moore*, B. MBC Student Scholar, 2004
\$3,700	Moore*, B. MBC Student Scholar, 2003
\$2,200	Moore*, B. MBC PEG Scholar, 1999
\$4,400	Moore*, B. MBC PEG Scholar, 1998

Other Professional Experience

2022 – 2025	User Experience Researcher, VMware
2020 – Present	Lead, YNOTI Solutions
2020 – 2021	Chief Analytics Officer, Ads4Earth
2018 – 2023	Senior Drill Sergeant, U.S. Army Reserve
